

Sketch ideas by Sarah Carney

Body hunting- a pair of flies looking for their new home (a dead body) modeled after those HGTV shows: "it has great bones"

The pooper planner- ad for an app that tracks poops (like a period planner): like the weather, we should be able to know about our bowel movements slightly in advance of the event. Free choice is an illusion.

The pooppourri of your panties: a monologue by the shit stain on your underwear

Antidepressants for the weird: commercial ad where the hobby you can finally do is just weird like taxidermy, knitting voodoo dolls

The call box: some teens break down in front of a call box and have to use it. Who the hell has coins nowadays am I right?

Hermes mask: youtube tutorial for making a mask out of an Hermes scarf. These masks just aren't fashionable!

Sleeping position problems: a side sleeper wishes she didn't have arms. Her wish comes true.

Woman on an airplane asks for increasingly odd items and gets them

BEACH TIPS: TIPS FOR THE BEACH- list of dumb things people do at the beach. DON'T DO THAT WHY ARE YOU BRINGING THAT! ITS GONNA GET SAND EEEEEVERYWHERE

Someone has a booger but nothing to wipe with. Their friend suggests eating it and argues why it is the morally correct thing to do with fervent zeal. Since the beginning of time, we have been eating our own boogers...

Rough art: art for men (as opposed to fine art). It is an ad for home depot.
